

April 15, 1940.

Prof. W. R. Valentine,
Manual Training School,
Bordentown, N. J.

Dear Sir:

I am very sorry that I will not be able to use the Bordentown School Band, due to the fact that I could not find any place to feed them, as the place where we feed them last year has been closed up, therefore, I had to get another Band.

If there is any of your Faculty that would like to come up to our Opening Game as my guest, I would be very happy to have them.

Very truly yours,

EM:CCJ
